

# ANIMAL FAIR

I went to the animal fair  
The birds and the bees were there  
The old Raccoon by the light of the moon was combing his auburn hair.  
The funniest was the monk, he climbed up the elephant's trunk,  
The elephant sneezed and fell to his knees  
And what became of the monk, the monk, the monk, ...

Kookaburra sits in the old gum tree,  
Merry merry king of the bush is he,  
Laugh, kookaburra, laugh, kookaburra,  
Gay your life must be, ha, ha, ha!

Kookaburra sits in the old gum tree,  
Eating all the gumdrops he can see,  
Stop, kookaburra, stop, kookaburra,  
Save some there for me, ha, ha, ha!

Kookaburra sits in the old gum tree,  
Counting all the monkeys he can see,  
Stop, kookaburra, stop, kookaburra,  
That's not a monkey, that's me, ha, ha, ha!

Kookaburra sits on the railroad tracks,  
Better get off or he'll be flat,  
Run kookaburra, run kookaburra,  
Uh-Oh!, watch out!, SPLA

# DORCAS

Dorcas ate some marmalade and Dorcas ate some jam,  
Dorcas ate some bread and cheese, Dorcas ate some ham.  
Dorcas drank some lemonade and then some ginger beer,  
Then Dorcas wondered why Dorcas felt so queer.

Whoops came the marmalade and whoops came the jam  
Whoops came the bread and cheese  
Whoops came the ham  
Whoops came the lemonade and then the ginger beer  
Then Dorcas knew why Dorcas felt so queer.

From PAX LODGE we see the sights, of London Town and city lights  
We meet the English on rainy nights, we're cosy at PAX LODGE

Here we go around the world To visit OUR CABANA

OUR CABANA's in Mexico and off to a bull fight we all go  
Arts and crafts to children we show When staying at OUR CABANA  
Here we go around the world the world, the world, the world  
Here we go around the world And now we go to SANGAM

India's SANGAM is far away, but we'll see the life of Old Bombay  
We'll dance and sing all through the day When we go to SANGAM  
Here we go around the world the world, the world, the world  
Here we go around the world We've visited four world centres

# IT'S A SMALL WORLD

It's a world of laughter, a world of tears  
It's a world of hopes and a world of fears

There's so much that we share

That it's time we're aware

It's a small world after all

Chorus:

It's a small world after all

It's a small world after all

It's a small world after all

It's a small, small world

There is just one moon and one golden sun

And a smile means friendship to everyone

Though the mountains divide

And the oceans are wide

It's a small world after all

I'll build my wigwam  
Close to the water's edge  
Silent and still

# MY SISTER HAS JUST JOINED THE BROWNIES

Tune of 'My bonnie lies over the ocean'

My sister has just joined the Brownies  
She welcomed the prospect with glee  
But it's jolly hard work for her Sixer  
And the Sixer in question is ME

*Chorus:*

Brownies, Brownies, do a good turn every day, they say  
Brownies, Brownies, do a good turn every day

When I made my own Brownie Promise  
What Brown Owl omitted to tell  
Was that kindness to all other people  
Meant kindness to sisters as well!

I've told her the Law and the Promise  
I've shown her the handshake and sign  
I've told her we try to gain badges  
But I didn't mean she could take mine!

"To help you on Footpath, Road, Highway  
I'll lend you a book," Brown Owl said  
"Why, it's all about Brownies!" cried Susan  
"I expected a road-map instead!"

We're taking the Pack on a Venture  
"How can we?" cried Susan, with doubt  
For she thought that the Pack on a Venture  
Was the rucksack of a Venture Scout

She doesn't know much about Brownies  
There's so much she needs me to fix  
But I think, by the time that I leave her  
She'll be quite a good help to her Six

I'm joining the Company shortly  
I'm sure to get on, and, besides  
I expect my big sister will help me -  
She leads a Patrol in the Guides!

# ONE NIGHT

Tune of 'Mine eyes have seen the glory'

I went along to Brownies just to help them out one day,  
I must have done a decent job as I was asked to stay,  
I really didn't have the time to do the job just right,  
But the Guiders all assured me that it only took one night.

*Chorus*

This is why I am a Guider (3 times)  
'cos the Guiders all assured me that it only took one night!

The District meeting came along and I was asked to go,  
It's sad to say the treasurer was ill and didn't show,  
So I was asked to take the job and I replied I might,  
As the others all assured me it would only take one night.

One day the new commissioner was putting up a tent,  
She said with great relief to me "My Dear, you're heaven sent,  
I need a camp advisor and I know your time is right,  
And I really do assure you that it only takes one night".

The staff at County came to ask if I would give a hand,  
To help the Brownie AGM and organise the band,  
I said I really couldn't and I put up quite a fight,  
But then they went and told me that it only took one night.

I've spent so long in uniform my blood is navy blue,  
My friends and family think I'm mad, and maybe so do you,  
But I am proud and happy I could play with all my might,  
If my many jobs in Guiding really only took one night!

# PINK PYJAMAS

Tune of 'The Battle Hymn of the Republic'

I wear my pink pyjamas in the summer when it's hot  
I wear my flannel nightie in the winter when it's not  
And sometimes in the springtime and sometimes in the fall  
I jump into my little bed with nothing on at all

That's the time when you should see me  
That's the time when you should see me  
That's the time when you should see me  
When I jump into my little bed with nothing on at all

Nosy, nosy what's it to ya?  
Nosy, nosy what's it to ya?  
Nosy, nosy what's it to ya?  
When I jump into my little bed with nothing on at all.

I wear my pink bikini in the summer when its hot  
I wear my speedo swimsuit in the winter when its not  
And sometimes in the spring time and sometimes in the fall  
I jump into my swimming pool with nothing on at all.

That's the time when you should see me...

Alice the Camel  
Alice the camel has five humps (x3)  
So go Alice go! Boom boom boom  
...repeat counting down until...  
Alice the camel has no humps (x3)  
Because Alice is a horse!

## Actions:

Everyone puts their arms around the shoulders of their neighbours. At each line, when you get to the number of humps, everyone bends their knees together. At "boom boom boom", everyone bumps bums with their neighbours!

# PRAISE YE THE LORD

Tune of 'The Battle Hymn of the Republic'

Allelu, allelu, allelu, alleluia  
Praise ye the Lord  
Allelu, allelu, allelu, alleluia  
Praise ye the Lord

Praise ye the Lord, Alleluia  
Praise ye the Lord, Alleluia  
Praise ye the Lord, Alleluia  
Praise ye the Lord!

*Guider Version:*

Softly Falls

Softly falls the light of day  
As our campfire fades away  
Silently each Guide should ask  
Have I done my daily task?  
Have I kept my honour bright?  
Can I guiltless sleep tonight?  
Have I done and have I dared  
Everything to be prepared?

*Brownie Version:*

Softly Falls

Softly falls the light of day  
As our meeting fades away  
Silently each Brownie asks  
Have I done my daily task?  
Have I kept my honour bright?  
Can I guiltless sleep tonight?  
Have I done and do I stand  
Ever here to lend a hand?

## Actions:

- Divide your group in half.
- One side sings 'allelu', the other side sings 'Praise Ye the Lord'.
- When a side is singing, they stand up, when they're not, they sit down.
- Everyone sings the last line together, standing up.)

# SISTER GUIDES

Tune of 'Edelweiss'

Sister Guides, sister Guides  
We are thinking about you  
'Round the world flags unfurled  
Always ready to greet you  
Promise and Law may we aim to keep  
Standards higher and higher  
In this way may we say  
May God's blessing surround you

# SUPER SAN FRANCISCO SURFER EXPERT ON THE OCEAN

Tune of Supercalafragilisticexpaladous

Just because I couldn't surf when I was just a lad  
My father took my board away and told me I was bad (You're bad)  
And then I learnt the longest word that every surfer knows  
The longest word you ever heard and this is how it goes -  
SuperSanfrancescoSurferExpertOnTheOcean  
Even though that most of them do not wear sun tan lotion  
If you hit waves hard enough you always have the motion  
SuperSanfrancescoSurferExpertOnTheOcean  
Um-diddley-diddley um diddle-I (x2) [slapping thighs]  
Sing again and speed up

Here We go:

swimming, swimming  
in a swimming pool  
when days are hot  
and days are cold  
in a swimming pool

back stroke, side stroke  
fancy diving too

do breaststroke actions  
trace a square shape with hands  
fan yourself  
hug yourself as if keeping warm  
trace square shape

do swimming actions with arms  
pretend to dive into water

# TAPS

Day is done  
Gone the sun  
From the sea  
From the hills  
From the sky  
All is well  
Safely rest  
God is nigh

Fading light  
Dims the sight  
And a star  
Gems the sky  
Gleaming bright  
From afar  
Drawing nigh  
Falls the night

Thanks and praise  
For our days  
Neath the sun  
Neath the stars  
Neath the sky

As we go  
This we know  
God is nigh

# TAPS

It's the song that gives us that lump in our throats and usually tears in our eyes. But, do you know the story behind the song? If not, I think you will be interested to find out about its humble beginnings.

Reportedly, it all began in 1862 during the Civil War when Union Army Captain Robert Ellicombe was with his men near Harrison's Landing in Virginia. The Confederate Army was on the other side of the narrow strip of land.

During the night, Captain Ellicombe heard the moans of a soldier who lay severely wounded on the field. Not knowing if it was a Union or Confederate soldier, the Captain decided to risk his life and bring the stricken man back for medical attention.

Crawling on his stomach through the gunfire, the Captain reached the stricken soldier and began pulling him toward his encampment. When the Captain finally reached his own lines, he discovered it was actually a Confederate soldier, but the soldier was dead.

The Captain lit a lantern and suddenly caught his breath and went numb with shock. In the dim light, he saw the face of the soldier — It was his own son.

The boy had been studying music in the South when the war broke out. Without telling his father, the boy enlisted in the Confederate Army.

The following morning, heartbroken, the father asked permission of his superiors to give his son a full military burial, despite his enemy status. His request was only partially granted.

The Captain had asked if he could have a group of Army band members play a funeral dirge for his son at the funeral. The request was turned down since the soldier was a Confederate — but out of respect for the father, they did say they could give him one musician.

The Captain chose a bugler.

He asked the bugler to play a series of musical notes he had found on a piece of paper in the pocket of the dead youth's uniform. This wish was granted.

The haunting melody, we now know as "Taps", used for 'lights out' commands and military funerals was born.

Thank you to Therese for this information.

# TZENA

Tzena, Tzena, Tzena, Tzena,  
Can't you hear the music playing in the village square?  
Tzena, Tzena, Tzena, Tzena,  
Can't you hear the music playing in the village square?  
Tzena, Tzena, join the celebration.  
There'll be people there from every nation.  
Dawn will find us dancing in the sunlight,  
Dancing in the village square.

# WANDERING WIND

*Chorus:*

Wandering wind,  
Blowing free,  
Where do you go?  
What do you see?

North wind of the drifting snow, blow across the sea  
Blow the cool of quietness a thousand miles to me

South wind of the golden sands, blow across the sea  
Blow the warmth of friendliness a thousand miles to me

East wind of the rising sun, blow across the sea  
Blow the hopefulness of dawn a thousand miles to me

West wind of the summer rain, blow across the sea  
Blow the gentleness of love a thousand miles to me

Note: In the chorus, the leader sings one line and everyone repeats it, holding the last note.

# YOU'LL NEVER GET TO HEAVEN

You'll never get to Heaven in a limousine  
'Cos the Lord don't sell no gasoline

You'll never get to Heaven in a Jumbo Jet  
'Cos the Lord aint got no runways yet

You'll never get to Heaven in a rocking chair  
'Cos the Lord don't want no rockers there

You'll never get to Heaven in a wicker chair  
'Cos the Lord don't want no baskets there

You'll never get to Heaven in an apple tree  
'Cos an apple tree's got roots you see

You'll never get to Heaven in a Playtex bra  
'Cos a Playtex bra won't stretch that far

O you'll never go to heaven, in a bottle of gin  
'coz the Lord don't let, no spirits in.

O you'll never go to heaven, on X's knee  
'coz X's knee's too knobably

You'll never get to Heaven with a dog as a pet  
'Cos the Lord ain't got no lamp-posts yet

You'll never get to Heaven on a blade of glass  
'Cos a blade of glass might cut your ARMS

You'll never get to Heaven on X's bike  
'Cos you'll get halfway. then you'll have to hike

You'll never get to Heaven in X's car  
'Cos X's car stops at every bar

You'll never get to Heaven on water skis  
'Cos the angels don't like hairy knees

O you'll never go to heaven, in a ping pong ball  
'coz a ping pong ball, is far too small

O you'll never get to heaven in the QE2  
Cos the QE2 ain't got no loo,

O you'll never get to heaven in a baked bean tin  
Cos a baked bean tin's got baked beans in

O you'll never go to heaven, in X'scar,  
'coz X's car, won't get that far.

O you'll never go to heaven, in a biscuit tin  
'coz the Lord won't let no crummy ones in

O you'll never go to heaven, on roller skates,  
'coz you'll roll right past, those pearly gates.

You'll never go to Heaven on a Boy Scout's knee  
Cos you'll never know where his hands may be

You'll never get to Heaven in a Girl Guide's arms  
'Cos the Lord don't want those feminine charms

Oh you can't get to Heaven with powder and  
paint  
'Cos it makes you look like what you ain't

Oh you'll never go to Heaven in a strapless gown  
'Cos a strapless gown might fall right down

Oh I wanna go to Heaven, I wanna do it right  
So I'll go up to Heaven all dressed in white

Oh one fine day and it won't be long  
You'll look for me and I'll be gone

If you get there, before I do,  
Just dig a hole, and pull me through

If I get there before you do  
I'll dig a hole and spit on you.

That's all there is, there is no more  
St Peter said as he shut the door

Oh there's one more thing I forgot to tell  
If you don't go to Heaven, you'll go to...bed

Now that's the end, St. Peter said,  
As he shut the gate, and went to bed.
