

## **Skittles**

*Equipment: 4 bean bags, several tins, 4 chairs*

Chairs facing inwards are put at 4 corners of a large square. Girls stand in 4 teams behind each of the chairs. Each chair has a bean bag on it, and the tins are in a stack on the floor in the centre of the room (equal distance from all 4 chairs).

Every girl has a number. Call out a number and the 4 girls with that number run around the room (round the outside of the chairs), get back to their own team and have to sit on the chair and throw the bean bag at the pile of tins. The team to win the point is the first one to hit the tins. All girls keep retrieving the bean bag and keep throwing until one of them hits the tins. The team is disqualified if they are not sat on the chair!

*Brownie and Guide game, team game*
