2010 Challenge

Dear Guiders

We are now launching our 2010 Challenge to all members of Northampton North.

Please encourage your Guides, Senior Section Guiders from all sections, and the Trefoil Guild to take part in these challenges which have been specifically designed by Guiders in Northampton North to celebrate 2010. The challenges are designed to be used as part of your programme and will run from now until the end of 2010 so plenty of time to collect all the segment badges.

The Challenge booklet cost £2.50 to units in the Division and £3.50 to any units out of the Division, it is open to all—pass on the information to your Guiding friends. The booklet comes with resource ideas and activities to start you off. There is a record sheet for individuals and an order form for the badges. Badges are available for each set of challenges priced £1.00 each. A special commemorative centre badge is available for Northampton North Guides that attend the Northampton North centenary camp in May 2010. On completing all the challenges a centre badge is available for everyone who takes part.

Get a copy for you Unit NOW— Or if they prefer encourage your patrols to buy one each!! Contact Rosemary today to order your copy
